

How to Find the Distance to TUPV

1. Open Google Maps.
 2. In the search bar, type "Technological University of the Philippines-Visayas".
 3. Click on Directions.
 4. Enter your starting location (your address).
 5. Your distance will be displayed!
- 💡 Note: If the distance is more than 228 km, just enter 228 km in the input field.

Directions on how to fill out the application form:

1. Fill out everything on the form except the assessment area
 2. Make sure to not include this first page of the file.
 3. Rename the file to "APPLICATION_FORM_LAST_NAME" and save it as PDF
- 💡 Note: Only the next page should be submitted

TECHNOLOGICAL UNIVERSITY OF THE PHILIPPINES VISAYAS
